4. **DESIGNATION OF COUNCIL REPRESENTATIVE FOR THE CALAVERAS COUNTY WATER DISTRICT HIGHWAY 4 CORRIDOR AD HOC COMMITTEE**

City Administrator Michael McHatten explained there were some legal concerns with appointing a Council Member to this committee. The City Attorney suggested the committee agendize the meetings as a roundhouse discussion with opportunity for public comment. Council Member Behiel stated that he has attended these meetings and there are many attendees. He felt City Council representation was unnecessary when City staff is also attending. He voiced his strong support for the committee. Although he had concerns of there being possible legal issues he felt these could be dealt with if the suggestion given by the City Attorney were followed. Mayor Kulm suggested having a citizen attend as a City representative and mentioned he had spoken with ex-Mayor Lynch who was interested. Council Members Morris and Folendorf both felt a staff member should attend and report back to Council. Council Member Sobon expressed his

frustration with the Brown act. The agencies need to sit down and discuss the issues. Dennis Mills from CCWD said he didn't care what format was needed as long as the agencies met.
